**NOTES**

- The dates for fall programming exclude school closures and days when there is a major religious holiday.
- All classes will be 45 minutes long, including the PreK 3/4 groups.
- We have reduced the transition time between classes, so the second group will now meet from 4:50-5:35pm.
- Each vendor will send an extra instructor for the entire afternoon when teaching PreK 3/4, to help manage the larger class sizes.
- Each vendor will send two instructors for the first 45 minutes when teaching K-2nd Grade, since the Kindergarten and First Grade classes will meet separately and at the same time. If the Kindergarten group is too large for one instructor to manage, some of the Kindergarten kids may be moved to the First Grade group.
