

## **After School Enrichment Programming at Payne 2021/2022 School Year**

Dear Payne PK3 through 2<sup>nd</sup> Grade After School Program Parents:

We look forward to an exciting school year for our Payne After School students! We are writing to update you about plans for After School enrichment programming for PK3 through 2<sup>nd</sup> Grade students and to ask that by **Thursday, September 30** you please:

- 1) **Complete the attached Liability Waiver and email a PDF or photo copy to [enrichment@paynepta.org](mailto:enrichment@paynepta.org).**
- 2) **Remit the recommended tuition payment of \$300 per child to [paypal.me/PaynePTA](https://paypal.me/PaynePTA), or drop a check in the PTSA box at the Payne front desk. Include the notation “PK3-2<sup>nd</sup> Grade Enrichment” on your payment. Payments will continue to be accepted after September 30.**

Please complete these tasks promptly so that we can begin enrichment programming on **Thursday, September 30**.

### **Background on PK3 through 2nd Grade After School Enrichment**

The PTSA, in coordination with the Payne administration, is working to provide enrichment programming for all of our PK3 through 2<sup>nd</sup> Grade After School Students. (To learn about additional clubs and enrichment programming for 3<sup>rd</sup> through 5<sup>th</sup> Grade students, please visit <https://paynedc.org/about/after-school-programs/>) Our goal for the PK3 through 2<sup>nd</sup> Grade program is to provide each child two enrichment classes per week for each of three sessions. **This year, we will serve more than 120 students. We will only proceed with all three PK3 through 2<sup>nd</sup> Grade enrichment sessions if we raise enough money to make them available to all eligible students, regardless of ability to pay.**

### **Recommended Tuition Payment**

Based on the expected vendor costs and number of eligible students, the **cost per child is \$300 for the entire school year**. This amount covers approximately 50 classes, and comes to \$6 per class (about 1/4<sup>th</sup> the cost of enrichment programming at other schools). This heavily discounted pricing reflects vendor discounts based on our status as a Title I school and the large number of participating students at Payne. A generous grant from the Capitol Hill Community Foundation will help cover costs for families that are unable to pay the tuition. **However, the program depends on parents paying what they can afford, which may include a partial or delayed tuition payment. If we are unable to raise adequate funds, we will shorten or cut one session and a portion of your tuition payment will be used to cover the shortfall. In the event that we have excess funds they will be used to expand enrichment programming at Payne.**

### **Logistical Information**

Students will be grouped with their regular After School class for enrichment activities, which will occur Mondays through Thursdays from 4:00-5:35pm. **PK3/4 will have enrichment on Mondays and Wednesdays and K through 2<sup>nd</sup> Grade will have enrichment on Tuesdays and Thursdays.** Class days and times for each grade are included on the attached fall schedule. Participating students will still be part of their

regular After School Program on the day of the enrichment activity. All enrichment activities will occur onsite at Payne.

**Fall Enrichment Activities**

The 8-week fall session will include the following activities:

Play Footy (soccer) – a program with a mission to nurture and develop children’s soccer skills, expand soccer’s reach in Washington, DC, and foster a global perspective through soccer. [www.playfooty.org](http://www.playfooty.org)

Capitol Movement (dance and tumbling) – a program that works to build better lives for children through movement and dance.  
[www.capitolmovement.org](http://www.capitolmovement.org)

We are still working to develop plans for the winter and spring sessions. Please feel free to contact me if you have any questions about enrichment programming for the 2020-2021 school year.

**Sincerely,**

Kate Abend, [kabend78@gmail.com](mailto:kabend78@gmail.com)
